RADIO FACE QUICK START GUIDE

WHAT'S IN THE BOX

Detroit RetroRadio™ Face

The FORD Bar™ on your radio functions as a seek on SiriusXM or tuner mode and will skip tracks, rewind and fast-forward in USB or Bluetooth® playback modes.

CONNECTING THE FACE TO THE BODY

Connect the ribbon cable included with the radio body to the Detroit RetroRadio™ face.
(Do not force the connector)

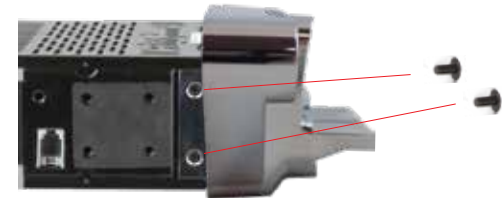

Two Shafts

InfiniMount™ Brackets

(Found within your Motor box)

Attach the Detroit RetroRadio™ face to the radio body using the radio face mounting screws included. (These screws are very small. Be careful not to lose them)

Shaft Nuts and Washers

Radio Face Mounting Screws

(These are very small and are located in the hardware bag)

Complete the installation as described in the user's manual included in the Motor Box.
